

Kingprinters / Mojoprint Shinjuku Branch

DIRECTIONS (8-10 mins walk from Shinjuku Station)

From Shinjuku Station, take the west exit (Nishi-uchi - exit B17 or B18) and walk down the street along side the Odakyu HALC building. Cross the footbridge over the main road and continue up the street past the Joenji temple. Turn right just after the Natural Lawson convenience store. Our office is about 150m along the narrow street on the right-hand side (1F).
